# DECOLONISING GLOBAL HEALTH

A 12-part blog series

January - December 2025

Can we conform with incomplete and inaccurate narratives? in 2025? from either the Global North? or the Global South?

The danger of a single story

## Global Health 2.0

- We believe that each individual life is equally important;
- We believe that we should do what we can to prevent the suffering of others; and
- We believe that everyone deserves dignity, safety, and a future that offers hope.
